**SUPERVISOR COMMENTS**

Officers were very busy tonight and were call to call until about 0200 hours. Officers began handling calls due to swing shift Officers being tied up on calls. Officers handled 8 to 10 noise complaints during our shift due to large parties/fireworks. An Officer at one of those large parties observed a male light an illegal firework. The male was cited at the scene. Once the calls for service slowed Officers become very proactive and made numerous stops during the shift.
