Officers were dispatched to a residence for an assault & battery between mother and her 17-

year-old son. The son was intoxicated and wanted to start a fight with his mother's boyfriend. When his mother stood between them, the 17-year-old shoved her. When officers arrived the suspect shut the front door on officers and ran out through the back door of the house. Officers were able to contain the area and take the suspect into custody. He was booked into juvenile hall for battery and resisting arrest. Also, while patrolling an area, an officer saw a male loitering in the parking lot of a closed business that had a trespass letter on file with the police department. The male was attempting to hide from the officer when he saw the patrol car. When the officer tried to contact the male he took off running, and had shoved the officer during the arrest. After he was apprehended and refused to identify himself. He was arrested and taken to jail, where he was positively identified. He was determined to have an out of county warrant.
