SUPERVISOR COMMENTS

Tonight's shift started busy with our shift clearing briefing and assisting with calls for service with Swing Shift. Calls for service were steady throughout our shift and finally slowed around 0500 hours. Officers responded to three different assault and battery calls during our shift. On each one of the assault calls an arrest was made and the responsible was booked into Jail. Officers did a good job at minimums helping each other out and leaving very little wait time for calls that were holding.
