

## **Monday, February 16, 2026**

The Turlock Police Department processed **145** calls for service during the 3 shifts covering February 16, 2026. This includes the following attached notable police activities and reports taken for the 24-hour period of Monday, February 16, 2026.

### **SHIFT: DAY SHIFT**

**Sgt. Fortado**

**NUMBER OF REPORTS: 10**

#### **CATEGORIES**

1 Industrial Accident	1 Sex Offense	1 Auto Burglary
1 Dog Bite	1 Identity Theft	1 Burglary
1 Warrant Arrest	1 Security Check	1 Violation of Court Order
1 Damaged Property		

### **SUPERVISOR COMMENTS**

Today is our first day of our workweek. Officers stayed busy during our shift with calls for service, taking 10 reports. Officers located a female sleeping in front of a business. Officers recognized the female and knew her to have warrants. She was placed under arrest and booked into Jail. Officers responded to a residence for a disturbance. Officers located a court order on file for the male half of the disturbance. The violation of court order was confirmed and the male was placed under arrest and booked into Jail.

### **SHIFT: SWING SHIFT**

**Sgt. J. Rodriguez**

**NUMBER OF REPORTS: 4**

#### **CATEGORIES**

1 Warrant Arrest	1 Public Intoxication	1 Theft
1 Assist Outside Agency		

### **SUPERVISOR COMMENTS**

This was the first day of our shifts work week. We completed a total of 4 reports over the course of our shift. Calls for service were steady throughout the day. At approximately 4:13 p.m. Officers contacted a subject in the 100 block of North Tully Rd.

The subject lied about his name and his identity was ultimately located, and found to be a wanted subject. He was ultimately arrested and booked into jail.

**SHIFT: GRAVEYARD SHIFT**

**Sgt. Neves**

**NUMBER OF REPORTS: 0**

**CATEGORIES**

**SUPERVISOR COMMENTS**

The graveyard shift had a steady pace of proactive enforcement and response to calls for service despite no formal police reports being filed. Officers focused on traffic enforcement, conducting several stops during the late-night hours. The team performed frequent patrols of high-activity areas known for night-time calls. Additionally, units handled several commercial alarm responses throughout the night.
