### SUPERVISOR COMMENTS

Shift started off dry, but then the rain started coming down. The rain must have kept people calm as even with the tractor pulls at the Stan Co Fair Grounds and the Prom going on in town swing shift was not too busy. A truck meet up did generate calls for service up at Hobby Lobby but once officers arrived in the area the trucks were not driving recklessly like some callers reported and were parked in the parking lot with officers keeping an eye out between calls for service.
