An officer made a traffic stop and arrested the driver for an outstanding felony warrant. Later in the night, the same officer located a stolen vehicle being driven on the roadway. The vehicle yielded to the traffic stop and the driver was detained. It was determined he had several outstanding warrants once his true name was found. He was booked for possession of a stolen vehicle, possession of drugs, providing false name, and his four warrants. Officers responded to a fire behind a business, next to the freeway. When they arrived, they located a male walking away from the growing fire that was fueled by dry brush that was all around. The male attempted to run from officers but was quickly detained. He was ultimately arrested and booked for arson and resisting arrest.
