Maintenance

All memorial benches are subject to normal wear and tear. This includes, but is not limited to, sun exposure, irrigation overspray, herbicide/pesticide/chemical overspray. Maintenance staff will remove graffiti from benches and occasional dirt accumulation if deemed an eyesore. In the event that your donated bench falls into disrepair, is damaged or is unsafe for public use, then we will need to remove it from the park/open space. We will attempt to contact you to inform you of the situation and to seek clarification as to whether you or your family intend to donate a replacement bench.
